With 8 working whisky distilleries (famous names like Bruichladdich, Bowmore, Laphroaig, Lagavulin, Caol Ila, Bunnahabhain and Ardbeg are brands well known all over the world), stunning scenery, hand crafts, amazing wildlife and all the friendly people, Islay is a five star holiday destination. ## Oban

Home to one of the oldest distilleries in Scotland, Oban Distillery produces a stunning malt whisky that falls between the smokier drams of the islands and the sweeter nuances of the Highlands. To compliment its fine whisky, Oban is also famed as a great seafood town, which comes as no surprise given its location, sitting on the dark blue waters of the Firth of Lorn.
